R. L. Tawde Foundation's Sarojini College of Pharmacy, Rajendranagar, Kolhapur aim to give students practical training along with theoretical aspects. Exchange of faculty and staff can help student development in the long term. Training and development makes students more productive and effective. It is actively and intimately related to all the personnel or managerial activities and remains an integral part of the whole management program with all its activities.

Hence, we collaborate at college level for Student Training and Skill Development, which will surely help students for further future career development.
